How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or <u>Adobe® Reader</u>. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <u>http://www.adobe.com</u>.

ABOUT PARCHMENT: Parchment is an academic credential management company, specializing in delivery of official electronic credentials. As a trusted intermediary, all documents delivered via Parchment are verified and secure.

Plus/minus grading was added effective Fall 1998 semester and expanded Fall 2002 semester. C- was designated satisfactory Fall 2002 through Summer 2003.

SP and AB grades* - Grades assigned by the student's dean granting permission to be absent from the final exam. If not resolved within 10 days, the AB grade automatically becomes an F. The SP grade is given only under unusual circumstances and may remain permanently on the record.

*Not calculated in grade point average (GPA).

** IN and IX grades are calculated as if they are grades of F.

Course Numbering System

100-299 lower-level undergraduate courses 300-499 upper-level undergraduate courses 500-999 graduate courses. RS indicates a Research and Scholarship Intensive Course

XS, XP, XN, and XW grades *** An alternative grade mode was available for selection by students for multiple terms in response to the COVID-19 pandemic. More detailed information about each grade mode is available on the Office of the University Registrar's website with keyword "Academic Options".

Repeated and Excluded Courses

Undergraduate Degree Seeking: Previous attempts of repeated courses will be identified and excluded from calculation in the cumulative GPA. The notation of "A" indicates that the course is included in the GPA hours but excluded from earned hours. Courses marked with an "E" designate that they have been excluded from the cumulative GPA, based either on a subsequent repeat of the course (marked with an "I" for "include") or academic clemency approved for up to 16 credit hours. Clemency requires Dean's approval following an absence of at least three years from the university. The transcript shows all original and repeated courses.

Graduate Degree Seeking: Graduate students may not repeat courses previously passed with a grade of B- or higher. When a course with a lower grade is repeated, the following conditions apply: (1) all hours attempted are computed in the cumulative GPA; (2) the transcript shows the original and repeated grade; and (3) only one grade per course may be presented on the Degree Application.

Academic Standing - A student is in good standing unless otherwise noted. "Warning" status is considered good standing. Academic standing may not yet have been calculated for transcripts produced very close to the end of the most recent semester. If you have any question about the student's standing, contact the University Registrar's Office.

Special Notes

Complete Transcript - The transcript shows all classes registered and attempted except those dropped during the drop period.

Withdrawal - Enrolled undergraduates may withdraw from a career total of 3 enrolled classes at their own discretion and without dean's approval. All other withdrawals must be for non-academic reasons and require dean's approval.

Grade Point Average - The GPA is computed by dividing quality points (QPts) by GPA hours (GPA-Hrs). It is carried to the second decimal point and rounded. GPA is only computed for credit earned at George Mason University or through the Washington Consortium (WC).

Degree GPA

Graduate: For Master's and Doctoral Students. the Degree GPA is calculated on course work presented by the student on the Degree Application.

Undergraduate: The Degree GPA for Bachelor's degrees was discontinued after the May 2006 conferral. University Honors are computed on the Degree GPA if one applies to the student's record. Otherwise, they are calculated based on cumulative GPA.

Transfer Work - Transfer hours are counted toward a degree but are not computed in a student's GPA.

Washington Consortium (WC) - Resident credit and grades can be earned through the Consortium of Universities of the Washington Metropolitan area.

More detailed academic program and course information may be found at **catalog.gmu.edu.**
